Plot No. 119, Sector-44,
Gurugram-122001
Haryana

1. We have reviewed the standalone audited financial results of PB Fintech Limited (Erstwhile, PB Fintech Private Limited/Etechaces Marketing and Consulting Private Limited) (the “Company”) for the quarter ended December 31, 2021 which are included in the accompanying Statement of Standalone Audited Financial Results for the quarter and nine months ended December 31, 2021 (the “Statement”). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations, 2015”), which has been initiated by us for identification purposes. The Statement is the responsibility of the Company’s management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.

3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw your attention to Note 7 of the Statement, which describes the management’s assessment of the financial impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Company. In view of the uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our conclusion is not modified in respect of this matter.

6. As indicated in Note 9 to the Statement, these standalone results for the quarter and nine months ended December 31, 2021 are drawn up for the first-time in accordance with the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. We were neither engaged to review, nor have we reviewed the standalone figures for the immediately preceding quarter ended September 30, 2021, comparative figures for the quarter ended December 31, 2020 and the year to date results for the period April 01, 2021 to December 31, 2021 and April 01, 2020 to December 31, 2020 and accordingly, we do not express any conclusion on these standalone figures in the Statement. These figures have been furnished by the Management and has been approved by the Board of Directors. Our conclusion on the Statement is not modified in respect of the above matter.

Review Report

To

The Board of Directors
PB Fintech Limited (Erstwhile, PB Fintech Private Limited/Etechaces Marketing and Consulting Private Limited)
Plot No. 119, Sector-44,
Gurugram-122001
Haryana

1. We have reviewed the consolidated unaudited financial results of PB Fintech Limited (Erstwhile, PB Fintech Private Limited/Etechaces Marketing and Consulting Private Limited) (the “Parent”), its subsidiaries (the Parent and its subsidiaries hereinafter referred to as the “Group”) and associate companies (refer paragraph 4 below) for the quarter ended December 31, 2021 which are included in the accompanying Statement of Consolidated Unaudited Financial Results for the quarter and nine months ended December 31, 2021 (the “Statement”). The Statement is being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations”), which has been initialed by us for identification purposes.

2. This Statement, which is the responsibility of the Parent’s Management and has been approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
4. The Statement includes the results of the following entities:

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw your attention to the following:

a. Note 8 to the Statement, which describes the management’s assessment of the impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Group and its associate companies. The exact impact on the financial results will be known on the conclusion of the proceedings by the IRDAI.

Our conclusion is not modified in respect of these matters.
7. We did not review the interim financial information/financial results of 3 subsidiaries included in the consolidated unaudited financial results, whose interim financial information/financial results reflect total revenues of Rs. 650.69 lakhs, total net loss after tax of Rs. 932.10 lakhs and total comprehensive loss of Rs. 901.50 lakhs, for the quarter ended December 31, 2021, as considered in the consolidated unaudited financial results. Our conclusion on the Statement is not modified in respect of the above matter.

8. The consolidated unaudited financial results includes the interim financial information/financial results of 2 subsidiaries which have not been reviewed/audited by their auditors, whose interim financial information/financial results reflect total revenue of Rs. 15.57 lakhs, total net profit/(loss) after tax of Rs. Nil and total comprehensive income/loss of Rs. Nil for the quarter ended December 31, 2021, as considered in the consolidated unaudited financial results. The consolidated unaudited financial results also includes the Group's share of net loss after tax of Rs. 0.36 lakhs and total comprehensive loss of Rs. 0.35 lakhs for the quarter ended December 31, 2021, as considered in the consolidated unaudited financial results, in respect of 1 associate, based on their interim financial information/financial results which have not been reviewed by their auditors.
