Review Report

To
The Board of Directors
PB Fintech Limited (Erstwhile, PB Fintech Private Limited)
Plot No. 119, Sector-44,
Gurugram - 122001
Haryana

1. We have reviewed the consolidated unaudited financial results of PB Fintech Limited (Erstwhile, PB Fintech Private Limited) (the "Parent"), its subsidiaries (the parent and its subsidiaries hereinafter referred to as the "Group"), and its share of the net profit after tax and total comprehensive income of its associate companies (refer paragraph 4 below) for the quarter ended June 30, 2023 which are included in the accompanying Statement of Consolidated Unaudited Financial Results for the quarter ended June 30, 2023 (the "Statement"). The Statement is being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), which has been initialled by us for identification purposes.

2. This Statement, which is the responsibility of the Parent’s Management and has been approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw your attention to Note 7 to the Statement, regarding management assessment with respect to inspections of the books of account and records of Policybazaar Insurance Brokers Private Limited (a wholly owned subsidiary of the Parent), carried out by the Insurance Regulatory and Development Authority of India ("IRDAI") to examine compliance with relevant laws and regulations for various financial years and submission of management responses in respect of the inspection reports issued by IRDAI. The exact impact on the financial results will be known on the conclusion of the proceedings by IRDAI. Our conclusion is not modified in respect of this matter.

7. We did not review the interim financial information/financial results of 6 subsidiaries included in the consolidated unaudited financial results, whose interim financial information/financial results reflect total revenues of Rs. 2,816.20 Lakhs, total net loss after tax of Rs. (978.53) Lakhs and total comprehensive loss of Rs. (988.96) Lakhs, for the quarter ended June 30, 2023, as considered in the consolidated unaudited financial results. 3. These Consolidated Unaudited Financial Results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their meeting held on August 07, 2023.

4. The figures for the quarter ended March 31, 2023 are the balancing figures between the audited figures for the financial year ended March 31, 2023 and the published unaudited year to date figures for the nine months period ended December 31, 2022.

5. During the financial year 2021-22, the Company had completed its initial public offer (“IPO”) of 58,262,397 equity shares of face value of ₹ 2 each at an issue price of ₹ 980 per share, comprising fresh issue of 38,265,306 equity shares and offer for sale of 19,997,091 equity shares. Pursuant to the IPO, the equity shares were listed on National Stock Exchange of India Limited and BSE Limited on November 15, 2021.

   The Company received an amount of ₹ 361,210.80 lakhs [net off IPO expenses] from proceeds out of fresh issue of equity shares for utilizing various objects stated in the prospectus. Out of the aforesaid amount, ₹ 88,823.10 lakhs were utilized for ‘Enhancing visibility and awareness of the brands’, ₹ 8,216.40 lakhs were utilized for ‘New opportunities to expand growth initiatives to increase the consumer base’, ₹ 4,040.40 lakhs were utilized for ‘Funding strategic investments and acquisitions’, ₹ 4,000.00 lakhs were utilized for ‘Expanding our presence outside India’ and ₹ 76,210.80 lakhs were utilized for ‘General corporate purposes’. 6. The Company has in its board meeting held on April 26, 2022 approved merger of Makesense Technologies Limited with the Company pursuant to section 230 to 232 of the Companies Act, 2013 read with the Companies (Compromises, arrangements and amalgamations) rules, 2016. The Merger application was filed with National Stock Exchange of India Limited and BSE Limited on May 18, 2022. As per the directions of Chandigarh Bench of National Company Law Tribunal (NCLT) vide its order dated July 05, 2023, the meeting of Equity Shareholders and Unsecured Creditors of the Company will be held on September 02, 2023.

7. The Insurance Regulatory and Development Authority of India (“IRDAI”) had carried out certain inspections of the books of account and records of Policybazaar Insurance Brokers Private Limited (the "Wholly owned subsidiary" or "Policybazaar") to examine compliance with relevant laws and regulations for various financial years and issued its reports, requesting for responses to the observations stated therein. Policybazaar submitted its responses to the IRDAI subsequent to which IRDAI issued show cause notices in respect of the above inspection reports and certain other matters. In the assessment of the management, supported by legal advice, as applicable, the above matters are not likely to have a significant impact on the continuing operations of Policybazaar as well as these financial results. Policybazaar also reviewed the same in the light of IND AS 37 and concluded that at this stage a reliable estimate cannot be made of the possible obligation and the exact impact will be known on the conclusion of the proceedings by the IRDAI.

8. Policybazaar Insurance Brokers Private Limited (the "Wholly owned subsidiary" or "Policybazaar") is an electronic commerce operator (“operator”) under the Central Goods and Services Tax Act, 2017 (“CGST Act”). The said Act requires every operator, not being an agent, to collect an amount, calculated at the prescribed rate, on the value of taxable supplies made through it where the consideration for such supplies is collected by the operator. In the assessment of the management supported by legal advice, the aforesaid requirement of collecting tax at source is not applicable to Policybazaar as Policybazaar is not engaged in collecting money on behalf of the insurers and the money flows directly from the customers to the insurance company through a nodal bank account. In view of the management, Policybazaar merely facilitates transfer of insurance premium to the insurance companies and is required to ensure transfer of the full amount of such premium, without the ability to deduct any amounts paid by the customers. Accordingly, the above matter is not likely to have any impact and accordingly, no provision has been made in these financial results. Policybazaar also made representation to the Government authorities and the Principal Regulator (“IRDAI”) in the earlier years, seeking clarification and exemption from applicability of the above section on insurance intermediaries.

9. In connection with the communication with Directorate General of GST (DGGI) relating to input credit availed by certain vendors of Paisabazaar Marketing and Consulting Private Limited (the "Wholly owned subsidiary" or "Paisabazaar"), Paisabazaar has provided necessary information / clarifications and made an initial deposit as agreed with DGGI. As per management assessment supported by tax counsel opinion no liability is likely to accrue on this matter and no adjustments on the financial results is required. The Group has also received certain summons from the taxation authorities seeking various information/details for which the Group is taking necessary action.
